# Figures

1.1	Cultural heritage and tourism groupings from a meta-analysis of cultural heritage tourism and sustainability	8
4.1	The commodification process	47
4.2	Visitors: quantitative and qualitative approach	49
4.3	The relationship between the position in society and colonial heritage, sense of place and identity	52
5.1	Malta: Grand Harbour, Valletta, and Dockyard Creek and vicinity	62
5.2	Gibraltar: naval heritage locations relative to the town and Rock	65
5.3	Bermuda: Royal Naval Dockyard in relation to Hamilton and western Bermuda	67
6.1	Tunisia, the Tunis–Nabeul area and Djerba	73
8.1	Constitution Hill in the context of the northern inner city. The railway station (Park Station) is a fifteen-minute walk away	104
8.2	Constitution Hill looking south	110
9.1	Restored buildings and street furniture	124
9.2	Street vendors and stalls	124
9.3	Urban landscape	126
9.4	Restored buildings' façades	126
11.1	The Chinese Monastery has been built on the far bank while a long-tailed boat pier and a floating restaurant sit next to the Bridge	159
12.1	Options available to access decorated cave sites	169
13.1	UNESCO World Heritage Sites in Sicily	183
13.2	Pattern of overnight stays of Italian (solid) and foreign (dotted) tourists in Sicily	185
13.3	Pattern of overnight stays of Italian (solid) and foreign (dotted) tourists in Val di Noto	185
13.4	Pattern of overnight stays of Italian (solid) and foreign (dotted) tourists in Siracusa	186
13.5	Pattern of overnight stays of Italian (solid) and foreign (dotted) tourists in Piazza Armerina	186

13.6	Pattern of overnight stays of Italian (solid) and foreign (dotted) tourists in Agrigento	187
14.1	Borobudur Temple	201
14.2	Illustration of current situation in relation to the organizational purpose of the heritage site	210
15.1	Non-UK entries in the 2010 London to Brighton Veteran Car Run	220
15.2	Gross amounts spent in the Goodwood study area	228
15.3	Heritage vehicle-related events with more than 25 participating heritage motor vehicles in the UK in 2012	232
16.1	Choice set example	243
16.2	An example of a neighbourhood association (comisión fallera) in a parade	244
16.3	An example of a 'Big Falla' monument in Valencia	245
16.4	The Offering of Flowers to Our Lady during Fallas Festival	249
16.5	Districts in the city of Valencia	250
16.6	Aspects of the Fallas Festival of most importance for respondents (% most popular)	252
16.7	The elements that keep the Fallas Festival alive according to respondents (% most popular)	253
17.1	Digital model of an ivory wallet, China (~1920), scanned in 3D and displayed (a) as a reproduction of the object with the original visual properties, left, and (b) as a simulated line drawing, right	270
17.2	Digital reconstruction of a proposed extension of the Louvre Palace, designed by le Pau in 1663	271
17.3	Procedural model of the Brighton Pavilion porch	272
17.4	Replacement stones in Ankor Wat in Cambodia	278
18.1	The 'tripod of sustainability' – the business philosophy behind the Heritage Services business plan	286
18.2	The basic staff structure of Heritage Services showing the equal status afforded to the three core areas of activity	288
18.3	Roman Baths enjoyment and value against ALVA average	289
18.4	The fluctuations in visitor numbers at the Roman Baths between 1973 and 2011	296

# Tables

1.1	World Heritage Sites according to region	11
1.2	Number of World Heritage properties inscribed by each state party	12
1.3	World Heritage in Danger by region	12
9.1	Field survey, February–March 2006	127
13.1	Descriptive statistics on monthly overnights	189
13.2	Statistics on seasonality: whole sample	190
13.3	Statistics on seasonality: Italians and foreigners	192
14.1	Paradigm shifts in World Heritage management	203
14.2	Working variables developed to assess socio-economic impacts	206
14.3	Comparison of average growth rate in sectors' value added between the Borobudur District and Magelang Regency (2003–2007)	207
14.4	Institutional problems found at Borobudur and their implications	212
15.1	Estimated size of different spectator groups at the London to Brighton Veteran Car Run	221
15.2	Estimated expenditure per person of different spectator groups at the London to Brighton Veteran Car Run	221
15.3	Total expenditure by different spectator groups at the London to Brighton Veteran Car Run	222
15.4	Participant expenditure in Brighton relating to the Veteran Car Run	222
15.5	Expenditure sources used to calculate the impact of the Veteran Car Run	223
15.6	Economic impacts of the Beaulieu International Autojumble	226
15.7	Economic impacts of the Goodwood Revival Festival	228
15.8	Factors that influenced visits to historic vehicle events	230
15.9	<i>Spectator visitation statistics for the three case study events</i>	231
16.1	Attributes and attribute levels	242
16.2	<i>The distribution of questionnaires according to municipal district</i>	251

18.1	General trends affecting site performance	293
18.2	Specific events or influencing factors which have affected site performance between 2000 and 2012	294
18.3	Recurring events which affect site performance	294
19.1	UK volunteering in areas of cultural heritage, 2005–2011	304
19.2	World Heritage Volunteer Programme, 2007–2013	314
19.3	World Heritage Volunteer Programme, 2012	314
