

The Human Rights to Water and Sanitation in Practice

Findings and lessons learned from the work on equitable access to water and sanitation under the Protocol on Water and Health in the pan-European region

CONTENTS

PREFACE	III
ACKNOWLEDGEMENTS	V
LIST OF ACRONYMS AND ABBREVIATIONS	VIII
EXECUTIVE SUMMARY	1
Chapter 1 Introduction	7
Chapter 2 Equitable access to water and sanitation	11
2.1 The human rights to safe drinking water and sanitation	11
2.2 The Sustainable Development Goals	12
2.3 The Protocol on Water and Health	13
2.4 Equitable access to water and sanitation – work under the Protocol on Water and Health	13
2.5 Equitable access to water and sanitation – key dimensions for country actions	14
Chapter 3 Assessing equitable access to water and sanitation	17
3.1 Self-assessment methodology	17
3.2 Findings from country self-assessments	20
3.3 Practical steps and considerations for organizing a self-assessment	24
Chapter 4 Planning and implementing actions to achieve equitable access to water and sanitation	27
4.1 Planning methodology	27
4.2 Examples of actions taken in countries to achieve equitable access	28
4.3 Experiences with the development of Equitable Access Action Plans	29
4.4 Important considerations for planning actions to ensure equitable access	31
Chapter 5 Financing actions to achieve equitable access to water and sanitation	35
5.1 Issues around financing equitable access to water and sanitation	35
5.2 Examples of financing approaches in countries	36
5.3 Important considerations for financing equitable access to water and sanitation	37
Chapter 6 Equitable access country highlights: self-assessments, actions and financing to improve equitable access to water and sanitation	41
6.1 Equitable access country highlights: Armenia	43
6.2 Equitable access country highlights: Azerbaijan	46
6.3 Equitable access country highlights: Bulgaria	48
6.4 Equitable access country highlights: France	51
6.5 Equitable access country highlights: Hungary	54
6.6 Equitable access country highlights: Republic of Moldova	57
6.7 Equitable access country highlights: North Macedonia	60
6.8 Equitable access country highlights: Portugal	63
6.9 Equitable access country highlights: Serbia	66
6.10 Equitable access country highlights: Spain	69
6.11 Equitable access country highlights: Ukraine	72
LIST OF BOXES AND TABLES	
Box 1. Human rights to water and sanitation: from recognition to implementation	12
Table 1. Self-assessments of equitable access to water and sanitation carried out under the Protocol on Water and Health	14
Table 2. Examples of stakeholders to be engaged in a self-assessment	18
Box 2. Benefits of carrying out a self-assessment: the case of ERSAR	19
Table 3. Structure of the Equitable Access Score-card	20
Box 3. Responses prompted by the awareness raised as an outcome of the self-assessments	23
