# FIGHTING FOR HUMAN RIGHTS

Edited by Paul Gready

WHY NOT US?

**IN MEMORY OF LANDMINE VICTIMS** CAMPAIGN FOR DISARMED PEOPLE

Each year, more than 20,000 people are maimed or killed by landmines. In an effort to raise awareness about this problem, the Campaign for Disarmed People has organized a national day of protest, with the last few months gathering shoes representing the lives and limbs that are taken by landmines each year.

130 nations have signed the Mine Ban Treaty and 110 more nations have signed the international Convention on Cluster Munitions. The Mine Ban Treaty prohibits the use, production, transfer, and stockpiling of anti-personnel landmines.
